| 3.6 Farm Dams | | | |
| Hazardous Dams Operating Licence | Licence | 210.00 | 230.00 |

APPLICATION OF PRICES

1. Temporary transfer of water rights

Price is levied in reference to Southern Rural Water By-law No.2.

2. Permanent transfer of water rights

Prices are set by regulation under Section 228 (d), Water Act 1989.

3. Amalgamation of water rights

50 per cent of charge applies when entitlements are amalgamated and 50 per cent at end of season when the arrangement is reversed and usage reconciled.

4. Application fees

Charges applying to unregulated surface water licences will also apply to recycled water when the Water Act 1989 is amended to bring recycled water into the general water allocation framework.

5. Application fees (take and use, underground disposal licences)

For those tariffs in Schedule 2 with the foot note a the price applies to ML above cut-off point not to total ML. Some cut-off points reduced for 2005-06.

6. Section 51 – Issue of licence: refundable component

Price applies to ML applied for, but will be refunded for any ML not granted.

7. Meter installation charge

Licence holder pays actual cost of purchasing and installing meters as required by Southern Rural Water for installation. From 2005-06 applies to backlog metering of existing licences, except for dairy wash where agreements may differ.

8. Issue of licence (categories C and D)

Provides for a Southern Rural Water commitment of 6 hours (category C) or 8 hours (category D).

9. Hazardous dam – operating licence

Applies only to dam licences after 1 July 2003.

10. Water meters – meter test

Fee refunded if meter found to be outside Southern Rural Water tolerances.
