

Taxi non-cash payment surcharge review 2019

Submission received through email

Date submitted: 13 December 2018

Submission written by: Dominic Villaros

On 11 December 2018, we published our consultation paper for the Taxi non-cash payment surcharge review 2019. This consultation paper asks stakeholders for their views on maximum surcharge in taxis, our proposed approach to assessing it and other issues related to it.

Email submission

Surcharges should be abolished right across every platform whether it's taxis, hire cars or ride share. Affordable travel to everyone should be No.1, then we might see an increase in people actually using services.
