

Attachment 2J – Associate Licences/Authorisations

Date: 1 March 2022

This Attachment 2J sets out the gas and electricity licences/authorisations currently held by the Applicant’s associates in Victoria and other Australian jurisdictions, including exemptions. This Attachment also includes the electricity licences previously held by the Applicant’s associates in Victoria and Western Australia and those currently held under the asset management of its associates.

The licences/authorisations are publicly available at the following regulators’ websites.

Victoria – Essential Services Commission: <https://www.esc.vic.gov.au/electricity-and-gas/electricity-and-gas-licences-and-exemptions/electricity-and-gas-licences>

South Australia – Essential Services Commission of South Australia (ESCOSA): <https://www.escosa.sa.gov.au/industry/electricity/licensing/licence-register>

Western Australia – Economic Regulation Authority (ERA): <https://www.erawa.com.au/gas/gas-licensing/licence-holders>

Multi-Jurisdictional – Australian Energy Regulator (AER): <https://www.aer.gov.au/retail-markets/authorisations/public-register-of-authorized-retailers-authorisation-applications>

This Attachment does not include registrations in various energy markets (e.g., NEM registrations).
