In March 2024, we began accepting submissions on our draft decision on Greater Western Water's 2024 price submission via Engage Victoria (www.engage.vic.gov.au/ESC-water-price-review-2024). On this website, people were given the option to send us general feedback or respond to questions we provided.

1. What do you think of our draft decision on the prices proposed by your water business?
2. What do you think of our draft decision on the business performance and their future service commitments?
3. Is there anything else we should consider before we make a final price review decision?

The draft decision to not fund the Stormwater Harvesting Partnership Fund, which overlooks the significant role that the fund plays in ensuring a sustainable water future for Greater Melbourne. Please refer to the attached letter from Maribyrnong City Council.
