

Maximum electricity prices for embedded networks and other exempt sellers

Submission received via Engage Victoria on our consultation paper on maximum prices for embedded networks and other exempt sellers

Date submitted: 12 February 2020

Submission prepared by: Anonymous

'Do you have any comments on the commission's consultation paper?'

Only to say some exempt sellers are just rip off ***** - they should not be allowed to exist & all people on selling power / water /gas / telephone etc , should be monitored and controlled.
