

Victorian Default Offer 2021

Submission received via Engage Victoria on our consultation paper on Victorian Default Offer 2021

Date submitted: 17 June 2020

Submission prepared by: Anonymous

Do you have any comments on the commission's consultation paper?

The Wholesalers are making large profits while being protected by monopiles. Everyone working must be on a approved list. And the people on the approved list charge 10 times what it would cost from someone else. Retailers make much less profits - the default offer arrangements have fixed the retailers but do nothing about the wholesalers.
