

Water price review 2024

Submission received through Engage Victoria

Date submitted: 11 October 2023

Water business: Greater Western Water

Submission written by: Christine Hicks

Postcode: 3030

In October 2023, we began accepting submissions on Greater Western Water's 2024 price submission via Engage Victoria (www.engage.vic.gov.au/ESC-water-price-review-2024). On this website, people were given the option to send us general feedback or respond to questions we provided.

1. What do you think of the prices proposed by your water business?

Sounds good - it costs money to provide the good quality drinking water we enjoy

2. What do you think of the proposed outcomes?

This is a significantly smaller change than what I assume the water business' projected cost increases will be. My mercenary corporate brain would suggest putting it up a bit and actually banking some of that for vulnerable persons that genuinely need discounting. Either way; thank you for doing good things!

Also - noteworthy - the engage vic form has an error. It will not submit unless you re requesting your submission to be anonymous AND have an upload. So I hope you enjoy your upload :)
