In October 2023, we began accepting submissions on Goulburn-Murray Water's 2024 price submission via Engage Victoria (www.engage.vic.gov.au/ESC-water-price-review-2024). On this website, people were given the option to send us general feedback or respond to questions we provided.

1. What do you think of the prices proposed by your water business?

I think it is unfair. We pay a 15yr licence and this is duplicated with an annual service fee for a service we don't use?

2. What do you think of the proposed outcomes?

If you are going to charge us a service fee every year as well as a licence fee then be on call everytime the equipment (we have paid for) breaks down!
