From 3 October 2022, we began accepting submissions on our 2023 water price review via Engage Victoria (www.engage.vic.gov.au). On this website, people were given the option to send us general feedback or respond to questions we provided.

1. What do you think of the prices proposed by your water business?

I think Barwon Water has done a good job in trying to get the mix right between fixed and variable charges and also looking at the system of pricing for tenants.

2. What do you think of the proposed outcomes?

The outcomes outlined by BW show a commitment to the community they service, it is no longer just a water business of engineering, pipes, water and sewerage! Their engagement of community in establishing the outcomes has been exemplary.
