From 3 October 2022, we began accepting submissions on our 2023 water price review via Engage Victoria (www.engage.vic.gov.au). On this website, people were given the option to send us general feedback or respond to questions we provided.

1. What do you think of the prices proposed by your water business?

I'm okay with the prices.

2. What do you think of the proposed outcomes?

I'm very excited to read about the Forrest Water Treatment Plant Upgrade scheduled to be completed by Dec 2023. This project will make an enormous difference to the local economy. Thank you for prioritising it!
