RE: Melbourne Water Price Review 2016.

Dear Sir/ Madam,

We refer to Melbourne Water's 2016 Pricing Submission Dated 30th October 2015 and in particular to the proposed changes to the Tidal Flood Gate Costs within the Patterson Lakes Flood Protection District as briefly noted by Melbourne Water on Page 80 of the Submission.

We also refer to the submission that has been provided in response to Melbourne Water's Pricing Submission from the Owners Corporation Endeavour Cove.

The Pier 9 Owners Corporation represents the 60 owners of properties located around the foreshore of the Marina Precinct at Pier 9, Patterson Lakes.

We are writing on behalf of the Owners Corporation and therefore the owners within that Owners Corporation to advise that Pier 9 is in full support of the submission made by Mr. Lawrence Cox on behalf of Endeavour Cove.

Yours Faithfully,

Anton Silove
Owners Corporation Manager
Accredited Practising Strata Manager
